THE GEORGIA BULLDOG CLUB - GYMNASTICS ENDOWMENT FUND (GEF) HOW YOUR SUPPORT HELPS GEORGIA GYMNASTS

“ Donating to the Gymnastics Endowment Fund lets Gym Dog fans have a direct impact on the program and enjoy it up close. The 2011 season will be an exciting one for the gymnastics program and we invite you to be a part of it by making a contribution to the GEF. Go Dawgs! ”

Jay Clark
Head Coach

Donations to GEF are tax deductible charitable contributions which assist the Athletic Association in funding the academic and athletic needs of UGA gymnasts, while providing each donor an opportunity to acquire and retain priority season tickets for Georgia Gymnastics.

- » **Gymnast Scholarships:** Annual donations to GEF assist the Athletic Association in funding the immediate scholarship needs of gymnastics student-athletes. **The cost of providing an out of state student-athlete with tuition, room, board and books is \$36,436 a year.**
- » **Coliseum Training Facility Bond:** Annual donations to GEF assist the Athletic Association in continually funding the \$30 million bond on the Coliseum Training Facility. The Facility houses a practice gym, locker room, meeting room and offices for Gymnastics, Men's and Women's Basketball, while UGA Olympic sports benefit from the addition of a premier strength and conditioning room, three times the size of the original facility.

GEF is separate from the Hartman Fund (football ticket priority program) and BEF (men's basketball ticket priority program). A contribution to one of the three funds provides membership in The Georgia Bulldog Club.

PRIORITY SEASON TICKETS RENEWING, RELOCATING OR ADDING SEASON TICKETS

Renewing Season Tickets: GEF contributors retain their same seat location upon renewal of the \$50 per seat donation by September 30 and season ticket payment by November 15.

PRIORITY POINT SYSTEM

What is the priority point system?

The Georgia Bulldog Club uses the priority point system as an equitable method to allocate donor benefits. GEF donors are put in rank order based on their cumulative points and assignment is made.

When is the priority point system used?

The point system is used in assignment of new season tickets, requests for additional season tickets, relocation requests, single meet requests ordered by November 15 and post season meets including the SEC and NCAA Tournaments.

How do I accumulate priority points?

One point is awarded per dollar contributed to GEF over a donor's lifetime. Donors may make one contribution, or several throughout the year, building priority points until the September 30 deadline.

GEF Estimated Ranks (as of July 1, 2010)

POINTS	RANK
15,000	1
4,100	50
3,100	100
1,400	300
500	500
50	700

This chart shows how priority points accumulated by a GEF donor translate into estimated placement among 700 donors. The GEF member with the most points is ranked #1 and subsequently first in the assignment process.

Points are cumulative: each year you contribute, you accumulate points.
